

## **Lake County Municipal League 2016 Law Enforcement Innovation Awards Packet**

### **About**

The LCML Law Enforcement Innovation Awards program is designed to recognize exceptional, innovative and extraordinary achievement in law enforcement programs or efforts and initiatives that benefit law enforcement as a profession.

The awards program also facilitates an exchange of information and experiences to build capacity for municipalities and jointly celebrate successful programs that could benefit other departments and their communities. All nominations are cataloged for members. Awards are presented to the innovative police departments during the LCML Membership Meeting on May 19, 2016. Selected programs will also be featured in the LCML Letter, website and other outlets.

### **Eligibility**

Any LCML member police department. One program per department will be considered. All projects or programs must be completed, but may be ongoing or an annual event.
